Cathy,

We have reviewed the accompanying plans and documents relative to the requested Amendment to SDD #6 and SUP #1332 (EDGE FITNESS CLUB) and have no general issue with the proposal. A food license will be required from the Health District once a concession plan is received, reviewed and approved.

It should also be noted that an updated flow rate be provided for this site in anticipation of proper capacity of the MDC sanitary line to accept discharge from the site. Once received, a letter of Sewage Adequacy may be provided under Section 177.--44. C.(1)e of the Code of the Town of West Hartford.
